**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a long time resident of California, we have endured terrible internet service from AT&T. Most other carriers are unable to serve us because of distance from their server, etc. but now we have a prospect of switching to Sonic which will soon be available in our immediate area. We have friends in our community who already have Sonic and say its customer service and its downloading reliability and speeds are far superior to AT&T.

So do not allow AT&T and other giants to throttle small high performance companies like Sonic. WE NEED THEM!
